## About the booklet

Advent is the time of preparation for the coming of the birth of Jesus Christ, the Messiah. The church celebrates this time in prayer and learning. We look at the journey through the ages to what brought us to the point of Jesus' birth. Advent takes place four weeks before Christmas. The liturgical colour of advent is purple, which signifies a time of prayer, penance, and sacrifice. We also use purple to signify the royalty of the coming King, Jesus.

This booklet aims to give Sunday school aged children the opportunity to explore the themes presented during Advent using child friendly material. To Prepare, to experience the Journey and to watch for signs of Jesus.

The Adventure is guided each week by a Buddy, (local animal), who will walk them through each activity. Each week is filled with activities: Song, Craft, Snack, Bible Story.

Happy 1st week of Advent!

Today we light the first Advent candle. This purple candle represents **HOPE**. It is also known as the Prophecy candle, as we remember the Prophets. Prophets are persons who told the world of things before they happened. They were guided by God to be God's voice to the people. Their words can either be a warning, bring hope or ask persons to change, all according to God's plan. Prophets had an important but difficult job. They gave the news then watched and waited for the great things to come.

One such prophet was Isaiah. He spoke to the people of Israel who were becoming restless and disobedient. He foretold that a baby will be born to save us all. **Isaiah 7:14** says "Therefore the Lord himself will give you a sign. Look, the young woman is with child and shall bear a son and shall name him **Immanuel.**" Sounds familiar? Yes, he predicted the birth of Jesus hundreds of years before the first Christmas. He told who will give birth and what he (the baby) will mean to us. Immanuel means "God is with us" Even by his name we are told that Jesus is the earthy form of God. God walking among us.

Hi!

## Meet Steve a Buffalypso!

STEVE

Buffalypso was developed in Trinidad by Dr. Stephen Bennett, in the 1960s. At that time, there were little or no tractors and trucks working in the fields. Animal power was popular as oxen, mules and donkeys were used as *beasts of burden*. Sadly, pests came and got these animals sick. Many died. Dr. Bennett developed a new breed of animal which could stand against the pests. This new animal brought **HOPE** to the farmers. The Buffalypso was a new animal that the pest couldn't get sick! These animals were resilient (strong), and they were better than the previous work animals. Their meat and milk are exported (sold) all over the world.

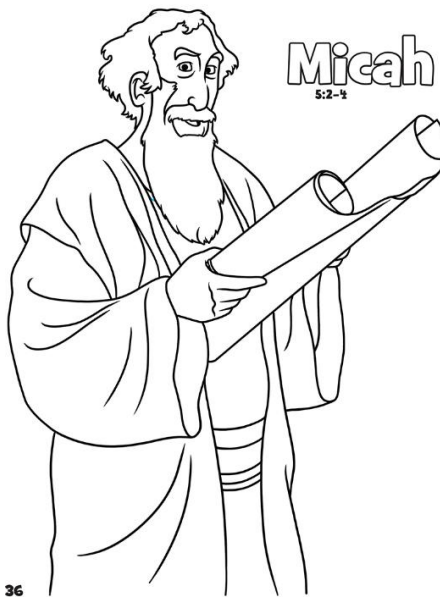

The horns of the Buffalypso are curved. These horns remind us that in life there will be curves, challenges that we do not think we can handle, but with Jesus as our **HOPE** we can withstand and overcome those challenging curves of life and become resilient.

Just like the Buffalypso brought **HOPE** to the farmers, we think of Jesus who brings **HOPE** to mankind. With this **HOPE** we know that things will get better. We are confident that Jesus will make us stronger to face the pests of the earth and become better than we were before!

## BIBLE CORNER

Let's meet some of the prophets who foretold the coming of Jesus the Messiah - the hope and restoration of mankind - years before he was even born.

### Meet Micah

Micah is recognized during Advent for being the one who told us **the location** of Jesus' birth. Approximately 700 years before it even happened.

Micah 5:2 - But you, O Bethlehem of Ephrathah, who are one of the little clans of Judah, from you shall come forth for me one who is to rule in Israel, whose origin is from of old, from ancient days.

### Meet Isaiah

He is remembered during Advent for being the prophet who told us that Jesus' **birth will be special** and impossible. A virgin will give birth. He reminds us 740 years before the birth, that with God all things are possible.

Isaiah 7:14: Therefore, the Lord himself will give you a sign. Look, the young woman<sup>[a]</sup> is with child and shall bear a son, and shall name him Immanuel.

## Meet Hosea

He is remembered at Advent for his prophecy that **Jesus will spend many years in Egypt.** This comes to pass in Matthew 2: 11-13.

Hosea: 11:1- *When Israel was a child, I loved him, and out of Egypt I called my son.*

## Meet Jeremiah

We remember him at Advent because he prophesized **boys under 12 would be killed to protect Jesus** 630 years before it happened.

Jeremiah 31:15: *Thus says the LORD: A voice is heard in Ramah, lamentation and bitter weeping. Rachel is weeping for her children; she refuses to be comforted for her children, because they are no more.*

## Advent Adventure

The second Advent candle represents **PEACE**. Jesus is the **Prince of Peace** and at his birth the angels proclaimed that there is **PEACE** on earth. Today it is difficult to see the peace on the earth. When we look at the news or even if we open our social media, it seems as though everyone is fighting. Where is the peace? God calls us to respond in peace. The only way we can do this is by forming our own relationship with God. When we recognize that the stresses and problems of our lives are not greater than God, and we give this burden to him this is what peace looks like. Worry free, stress free, simply free.

Being at peace is a bit difficult during this time of a "True Trini" Christmas, when we are cleaning, washing, cleaning, cooking, cleaning, putting up decorations, cleaning, baking, and don't forget the cleaning. This is one of the busiest times of the year. I urge you however to find a moment, 5 minutes to talk to God and ask for peace from **the source**, from the **Prince of Peace**: to pattern his works and to move in peace to ensure that each day will fill with God's peace. Already at peace? Then then take this moment to grant peace to others.

Hi!

Meet Barbara the Barbados Black Belly Sheep

Barbara

Barbara is currently pregnant, just like Mary was during the 1<sup>st</sup> Advent. Barbara is carrying a Lamb! We often call Jesus the Lamb of God. This is because lambs/sheep possess a very peaceful nature, they follow their mom (ewe) and the shepherd. An example for us. We should follow our parents' advice and the teachings of God. When we follow the ways of Christ, we experience the Peace that only God can give.

It's time for **JOY!!!!** The third Advent candle represents Joy,

When we think about babies (usually) we think of happiness. Babies put a smile on the grumpiest persons face. These little balls of mush, hold hope and peace and a new future. Whether you are going to be a big sibling or are the baby of the family you are **JOY** to persons lives.

During Advent we look at the preparation for baby Jesus. When the angel came to Mary she was in shock. She wasn't prepared or even thought that she was worthy of this baby. That must have felt more of a burden than anything else. But when Mary settled into the news, she felt Joy. This baby was the Messiah. The one that persons were waiting on for hundreds of years. The one whom the prophets were speaking about, the one who will bring peace to all men.

We experience the **JOY** of looking forward, to the future. During Advent we look forward to Christmas day, whether for the gifts, food or even family, we are filled **JOY**. This week's task is to spread Joy to one person each day. Share the Joy of knowing that Jesus was born to be the Saviour and He brought us great **JOY**.

The Joy candle also represents the Shepherds who came to see Jesus after his birth. At that time, Shepherds were the lowest group of persons in society. They were seen as dirty and smelly. Shepherds were one of the first persons to meet Jesus. The angles of the Lord delivered the great new of Jesus' birth to them instead of the elders of the church. This was one of the signs that Jesus came for everyone not just the rich but also the poor and outcast, to **EVERYONE!**

Hi!

## Meet Ron the Humming Bird

# RON

Ron is a Tufted Coquette hummingbird, one of the 19 species of hummingbirds that can be found in Trinidad and Tobago. Hummingbirds are one of the tiniest birds, we see them mainly in flowering plants. They may be small but they can-do marvellous things. They are the only birds that can stay in one place during flight. They can fly forwards, backwards and even up-side down! When in a dive their tiny wings beat 70 times in a second. Ron and his hummingbird friends remind us that though we are small or tiny, we were specially made for a purpose. At birth you were given gifts from God. Use them to bring the **JOY** of God to others. You may be tiny, but you are mighty!

## BIBLE CORNER

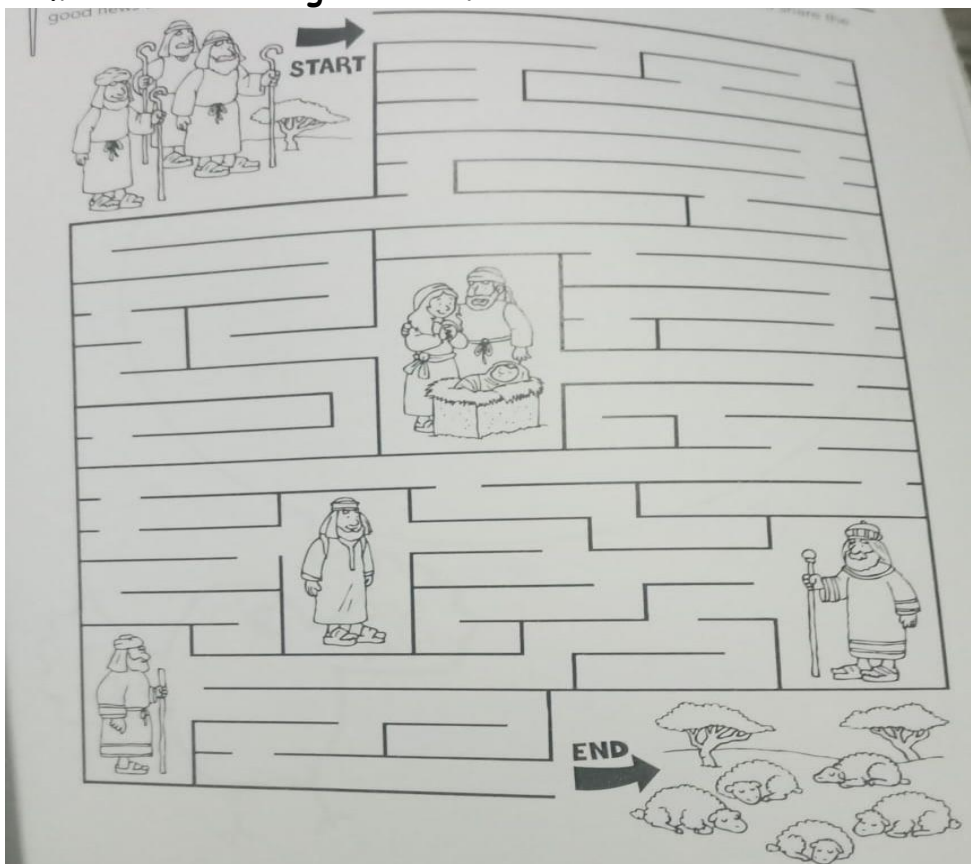

Luke 2:8-14

In that region there were shepherds living in the fields, keeping watch over their flock by night.<sup>9</sup> Then an angel of the Lord stood before them, and the glory of the Lord shone around them, and they were terrified.<sup>10</sup> But the angel said to them, "Do not be afraid; for see—I am bringing you good news of great joy for all the people:<sup>11</sup> to you is born this day in the city of David a Saviour, who is the Messiah, the Lord.<sup>12</sup> This will be a sign for you: you will find a child wrapped in bands of cloth and lying in a manger."<sup>13</sup> And suddenly there was with the angel a multitude of the heavenly host, praising God and saying,

<sup>14</sup> "Glory to God in the highest heaven,  
and on earth peace among those whom he favours!"

**Help the Shepherds find the baby Jesus. Then help them find their way home to share the good news.**

## BIBLE CORNER

One of the first times we see **JOY** in knowing Jesus was from a baby, not even born yet. Mary visits her relative Elizabeth who once could not have a baby, but God made it possible. This baby grows up to be one of the known persons in the bible. You will not believe it! Its John the Baptist. In his mother's belly he jumped for joy when Mary came close because he knew that Jesus was in Mary's belly on his way!

Luke 39-45

<sup>39</sup> In those days Mary set out and went with haste to a Judean town in the hill country, <sup>40</sup> where she entered the house of Zechariah and greeted Elizabeth. <sup>41</sup> When Elizabeth heard Mary's greeting, the child leaped in her womb. And Elizabeth was filled with the Holy Spirit <sup>42</sup> and exclaimed with a loud cry, "Blessed are you among women, and blessed is the fruit of your womb. <sup>43</sup> And why has this happened to me, that the mother of my Lord comes to me? <sup>44</sup> For as soon as I heard the sound of your greeting, the child in my womb leaped for joy. <sup>45</sup> And blessed is she who believed that there would be<sup>[e]</sup> a fulfillment of what was spoken to her by the Lord."

A Candle Is Burning [https://youtu.be/Is7DS\\_QBPBq](https://youtu.be/Is7DS_QBPBq)

It's time for **LOVE!!!!**

The fourth Advent candle represents Love.

The birth of Jesus brought a love that the world never experienced before. This is a love that God calls us to practice. This love seeks nothing in return, you don't have to do anything to gain this love. You can be anyone, rich, poor, sinner or saint, Jesus shows us that he loves everyone the same. In his time on earth, Jesus healed persons no matter their background. He preached and fellowshiped with persons who normally would be forgotten. His birth demonstrated God's ultimate love for us (John 3:16). Jesus was born with a mission to spread love throughout the earth.

Loving all persons is NOT a difficult task. Firstly, there are many people to love! We have our family, friends, neighbours, teachers, classmates, principals and even persons we may not like. Even though it seems that our love would run out, Jesus shows us that love NEVER runs out! We have it in abundance, and we share

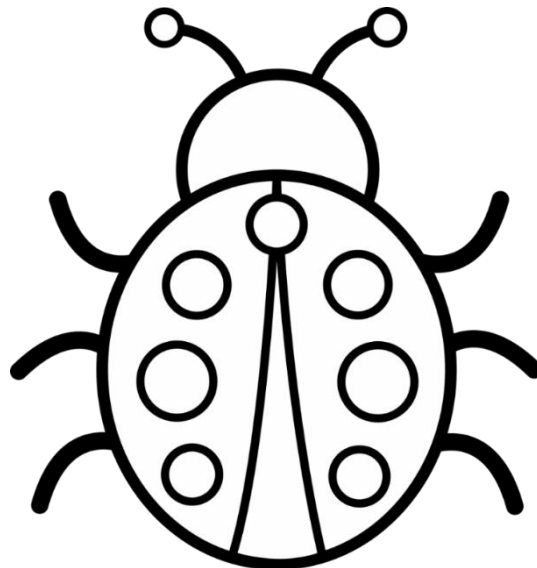

it with everyone, not only to those who we want or those whom we believe deserve it. Jesus commands, "Let everything you do be done in love" 1 Cor 16:14. As we prepare for the celebration of his birth, let us complete acts of unselfish love this week. Choose 7 persons to complete an act of love each day this week. It could be as simply as a smile or laugh or planned breakfast. Show love to one another, unselfishly.

Marie

There are approximately 5000 different types of ladybugs. In many cultures they are a sign of good luck and new happiness. The most common ladybug to our region is the Seven -spotted Ladybug, with its shiny red and black body.

Marie reminds us that the birth of Jesus is the new beginning for the world. The love that God showed the earth is in the form of the gift of Jesus Christ. God sent Jesus to gift us with many blessings from the heart. Marie helps us remember this as when her wings open, they resemble a heart. Take the time to give thanks for the things that you love and people you love. Marie has seven dots on her body to represent a love which you hold and can share every day of the week.

Colour each dot as you complete an act of love each day.

## Recipe:

### Donut Wreath

#### What You will need:

- 3 purple birthday candles, 1 pink birthday candle, 1 white birthday candle
- Green food colouring
- Donut Recipe (Store bought can work as well)
- Icing Sugar

#### Donut Recipe (Makes 16)

### INGREDIENTS

#### FOR DOUGH

- 1 c. whole milk
- 1/4 c. plus 1 tsp. granulated sugar, divided
- 1 packet (or 2 1/4 tsp.) active dry yeast
- 4 1/2 c. all-purpose flour, plus more for surface
- 1/2 tsp. kosher salt
- 6 tbsp. melted butter
- 2 large eggs
- 1/2 tsp. pure vanilla extract
- Canola or vegetable oil, for frying

### Directions

1. Grease a large bowl with cooking spray and set aside. In a small, microwave-safe bowl or glass measuring cup, add milk. Microwave until lukewarm, 40 seconds. Add a teaspoon of sugar and stir to dissolve, then sprinkle over yeast and let sit until frothy, about 8 minutes.
2. In a medium bowl, whisk together flour and salt. In a large bowl, whisk together remaining sugar, butter, eggs, and vanilla with a wooden spoon. Pour in yeast mixture, mix to combine, then add in dry ingredients, stirring with a wooden spoon until a shaggy dough forms. Transfer to a lightly floured surface and knead until elastic and only slightly tacky, adding more flour a teaspoon at a time if needed, about 5 minutes.

3. Form into a tight ball then place dough in oiled bowl and cover with a clean dish towel. Let dough rise in a warm spot in your kitchen until doubled in size, about 1 hour.
4. Line a large baking sheet with parchment. Punch down dough, then turn onto a lightly floured work surface and roll out into a  $\frac{1}{2}$ " thick rectangle. Using a doughnut cutter or 3" and 1" biscuit cutters, punch out your doughnuts. Re-knead scraps together and punch out as well. Place doughnuts and holes onto baking sheets, cover with dish towel, and let rise again, about 40 minutes more.
5. Line a large baking sheet with paper towels. In a large pot or fryer over medium heat, heat 2" oil to 350°. Cook doughnuts, in batches, until deeply golden on both sides, about 1 minute per side. Holes will cook even faster!
6. Transfer doughnuts to paper towel-lined baking sheet to drain and cool slightly. Dip into glaze, then place onto a cooling rack (or eat immediately!).

### Make Glaze

7. Make glaze: In a large bowl, whisk together milk, powdered sugar, and vanilla until smooth and 2 drops green food colouring.
8. In a small bowl  $\frac{1}{2}$  cup of white sugar. 1 drop of red food colouring.
9. Wreath Assembly
  - 1) Choose your doughnut and dip in the green glaze
  - 2) Dip Glazed doughnut in red sugar dust
  - 3) Place your candles in the Advent order clockwise. (Purple, Purple, Pink, Purple)
  - 4) Enjoy

# CHRIST CANDLE

## Christ Candle

Its Christmas day! Today we celebrate the birth of Jesus Christ. For the last four weeks we looked at the preparation for this day. The birth of Jesus presented God in human form. This candle is placed at the centre of the other four candles, because it represents the fact that Jesus is the centre of our lives, and only in Him we will find true **hope, peace, joy and love**.

The birth of Jesus the Messiah

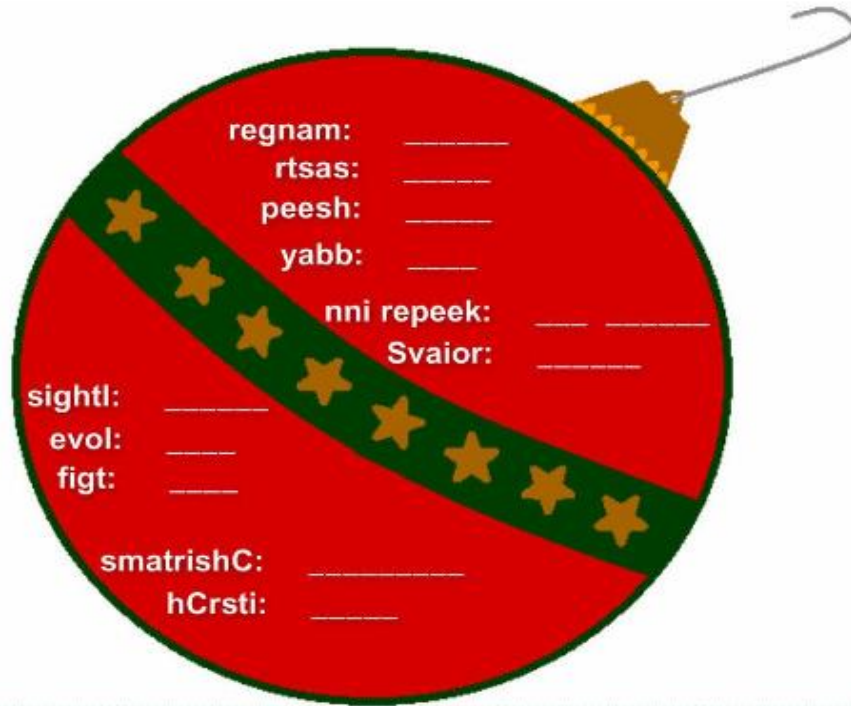

- ❖ Demonstrates God's perfect **love**, which
- ❖ Fills us with **peace** and **hope**
- ❖ Brings great **joy**.

At Christmas we receive gifts, spend time with family and have food more than the eye can see. Let us remember to give our own gifts of Hope, Love, Peace and Joy as we celebrate the birth of our Lord and Saviour Jesus Christ who came to do great things.

## Nativity Craft - Manger Scene

### Materials

- 6 Large craft (pallet) sticks
- Utility knife
- Stick glue
- Paint, blue, orange, white, and yellow
- Newspaper
- Paintbrushes
- Water
- Paper towels
- Twine
- Thin gold ribbon or gold embroidery thread
- Markers

### Preparation (For Parents)

1. Cut the pallet sticks into pieces of different sizes.
2. Have three uncut sticks to make the roof and base
3. Cut three sticks at about the 2/3 mark. The longer pieces will make the sides of the manger, plus the angel; the short pieces will be Mary and Joseph and the baby Jesus. Keep the short lengths in one Ziploc bag and the long lengths in another.

### Instructions

1. Do the painting first. Take three short sticks. For the first one, take your thumb and place it near the top of one stick so that the top of the stick still shows and a little of the back. Paint blue around your thumb. That will be Mary. Put her aside.
2. Wash out your brush using the water and your thumb. Dry the brush with paper towels.
3. Repeat step one with your thumb and another short stick, only this time use orange paint. This will be Joseph. Put him aside.
4. Wash out your brush and your thumb and dry the brush with paper towels.
5. For the last short stick, place your thumb over the entire rounded top, which will be Jesus' head. Paint yellow under your thumb. Put Jesus aside.
6. Wash out your brush and your thumb and dry the brush with paper towels.
7. Take one of the three long sticks to create your angel. Do as you did with Jesus, covering the whole top of the stick with your thumb. Paint white underneath. Lay the angel aside.

8. Clean up your brushes and hands.

9. To create the manger, start with two uncut sticks, crossing them very close to the top. Glue them together using stick glue.

10. Add two of the long-cut sticks to create the sides, gluing them to the roof. Angle them outward slightly.

11. Add the third uncut stick to make the base. Glue it to the long cut sticks at the bottom.

12. By now, your stick characters should be dry. To Mary's and Joseph's faces, add one little line that looks almost like a checkmark to make each an eye.

13. Glue their bases to the bottom stick from behind and angling them in slightly.

14. Give the baby Jesus and the angel two loops for eyelashes.

15. Glue the baby Jesus to the base and the angel to the X in the roof.

16. Wrap a bunch of twine around Jesus to make his swaddling clothes. Extend two short pieces of twine from Mary to the manger and Joseph to the manger, to look like their arms. Glue the twine down.

17. Wrap some gold thread around the angel's neck and above the head to create a halo. Glue it in place.

18. Tie a big loop around the X in the manger top so that you can use the manger on your Christ
